<b>GRADE 12</b>	AP Courses or Post-AP Courses or Capstone Courses		Senior Research Project	College Counseling	<i>Eligible seniors have the opportunity to propose and undertake an individual Senior Project, the successful completion of which earns that student High Honors at graduation. Senior Projects allow students to venture off campus, combining personal interests with an internship. Through the Senior Project, BASIS Curriculum Schools supports its seniors' nascent sense of investigation and research. Projects are usually interdisciplinary in nature.</i>			
Duration (Minutes)	50		50	50				
Frequency per Week	5		5	5
